South Kanara Collector's Office

Camp Vittal, 19th April 1932

From

Khan Bahadur J. Hussain, Bar-at-Law,

Collector of South Kanara.

To

The Secretary to the Board,

Land Revenue and Settlement,

Madras.

Sir,

Allowances - Tasdik - Payment by assignment of Land Revenue - Conversion to Beriz Deduction - Title deeds - Cancellation.

When a religious allowance paid as an assignment of Land Revenue is ordered to be disbursed as beriz deduction, the practice in this District is to call for the original title deed granted by the Inam Commissioner and cancel it under Collector's signature. If no title deed is ----- forthcoming, a notification that the particular title deed has been cancelled is published in the District Gazette.

Though the Collectors have been empowered to order - the conversion of payments by assignments of Land Revenue into Beriz Deduction, I do not see that they have the power to cancel the title deed granted by the Inam Commissioner. I solicit orders whether the practice followed in this district is in order.

Ref: is also invited to the Collr's letter at

p. 1 c. 6.

2 The question is whether the Collector can cancel a T. D. issued by the Inam Commission when an assessment of Land Revenue due to a religious institution is converted into pay-off by being deduction. Presumably the inamdar has consented to such a change.

para 2 of the 8-6 at (2)

p. 5 of.

In the circumstances, it appears

that the Collector can himself cancel

the T. D. - vide the analogy of para 4 of

of B.S. 6, 100, 62. The collector may be

informed accordingly. ~~It is recommended~~ This point

2 9.5.32 will further be examined in the Inam Section.

On 20.5.32. Note by Inam section.

In the cases ^{rich} ~~the~~ Inam Commissioner has issued title deeds in the ordinary Devadayan form. muns have been definitely created and according to Para 6

The collector has raised a general question. Please see note below. 2
This refers to relinquished + means. There is no provision for cancellation of a T. D. by Collr in B.S. 62 - (VI) p. 42 of B.S. 6

of the Cont. memorandum at PP 6-7 of P.B. No. 32 Bess & 6.5-29, Cont. are precluded from interfering with the assignments so long as the conditions are fulfilled. The cases referred to in the Cont. memorandum relate to the mohini allowances ^{granted to temples in} Tanjore Dist. Title deeds

Para 1 of Board's Refce
at P 8 of (R)

(L)

apparently in the ordinary Devadayam form were issued in respect of these allowances relating to Shingli and Mayavaram. The No. T.D's were issued in respect of other Taluks also ^{procedure} as the was presumably considered faulty ^{subsequently} for the reasons mentioned in para 1 of Board's Refce No B 1027 - 26-8 & 25.5.28 and therefore the Murchilika system referred to in para 3 of the Cont. Memo was introduced in the other Taluks.

P 5 of (R)

In the cases of the Tardik allowances of Sathu Kanara referred to in the present file, T.D's were issued by the Inam Commr but a special form of Title deed was adopted in converting the cash payments into assignment of land revenue. The T.D. form contains information as to ^{the} actual amount of assessment due to the mawdar and the details of the ranyghrai fields the assessment on which ~~the~~ has been assigned. From the I.R. relating to the cases it is also observed that 10% ^{extra} was also allowed for the trouble of collecting the assessment.

It will thus be seen that the issue of

(W)
also in the I.R.

True at (O)

the T.Ds in the special form was only an expedient arrangement authorizing the inamdar to collect the assessment on certain fields. This arrangement would seem to be almost similar to the muchilikar arrangement made in the Taluks other than Shigali and Mayavaram in Tanjore Dt and referred to in para 3 of the Ext memorandum at P 5 of P.O. 32 Press & 6.5.29

In this view the T.Ds issued in the special form in respect of the Tasdik allowances in S. Kanna Dt do not stand on a line with those issued in respect of the mohini allowances of Shigali & Mayavaram this which were apparently ^{issued} in the ordinary Devadayan form and which have been referred to in the exceptions mentioned in para 1 of G.O. No 806 Press Rev & 24.4.29

The Collector in reporting that the religious allowances referred to do not come under para 2 of G.O. No 806 Press & 24.4.29 make

no mention of the fact ^{being of a special nature} that the Inam Commissioners do not come under the same class as have been referred to in para 1 of the G.O. He may be asked to report ^{whether} ~~why~~ he considers that the T.Ds issued by the Inam Commissioners in respect of the Tasdik allowances in his Dt

P 12 of (R)

P 5 of

P 12 of (R)

do not come under the exceptions referred
in para 1 of the G.O. at (R) and ^{of 20} what his
reasons are for considering so.

~~20~~
5.5.32

In para 2 of the No 806 of 24.4.29 the
Govt. called for proposals for the treatment
of cases similar to Mohini allowances,
other D's. The I.D. called for proposals from
all. What was the report of the Coll.
of S. Kanara in that connection?

With reference to the query above it is
submitted that the Collector (referred) ^{in 1929} that
except in two cases, T. Ds were issued in all
the cases of Tasook allowances in his D. and that
it was not worthwhile to bring those two
cases under the being deduction system. It
